

Thank you so much to all who donated, purchased and supported the Christmas Stall Event. The event was a huge success and the Halifax Building Society in Stroud also donated and offered their services on the day which was just great.

The sale was amazing and raised the best part of £250 (we also did a mini sale after the school nativity of what we still had left).

A huge thank you for the reusable handmade bunting Michelle (Leos Mum).

SO MUCH SOLD!!

Some of the excellent helpers on the day!
