Number: Place Value

Term 4

Measure – Time
Number:
Addition and Subtraction

Term 5

Measure – Length and height

Measurement:
Mass and Volume

Number:
Place Value
Multiplication and Division (if ready)

Term 6

Measure - Money

Number:
Place Value
Fractions – if ready

Statistics to be introduced where appropriate

Individual Curriculum pathways to be followed

The focusses are taught as part of a spiral curriculum giving the pupils the opportunities to revisit and expand their knowledge areas. As pupils move along the curriculum they will extend the depth of learning in the individual areas.
