LOWER 2

I can make CVC words

24/04/2023 Class/Group/Team : LOWER 2

Subject : My Thinking , Phonics

Commentary

Kizzy independently made the word 'tap' for the first time today without any prompts. She needed verbal prompts to make the words 'mop' and 'cat'. Kizzy is able to hear the end sound in words and this tends to be the first letter she will place when making CVC words.
